

Hello SYB! Considering Eastlake is struggling with finals this week and others with flu/colds, we still had a great turn out at last night's Board meeting. Thank you to those who attended and participated in the great discussions. In case you weren't able to attend here is a rundown of major topics:

1. Get out and vote **Feb 8 for the school levy** that will help pay for Eastlake and Redmond High expansions. If it does not pass there is a great chance Eastlake will go to two school shifts (7am - 1pm, 2pm-7pm) in order to accommodate the amount of students in a 4 year high school. Next meeting with Dr. Kimball: March 10 3:45-5pm
2. The Arts Commission is offering a **Chinese art and culture celebration** at City hall on Feb 5 from 1-6pm. Come celebrate the year of the rabbit with food, martial arts, calligraphy and dance. Free to the public.
3. A small committee has been formed to evaluate current **anti-cyber bullying videos** in hopes of designing one by SYB and to play on Ch. 21 and at schools. International Comm School is looking at developing a cyber-bullying video and Eastside Catholic is currently working on a texting while driving info-mercial. If you are interested in being on this committee please email Lynne.
4. Those wanting to volunteer and/or help prepare the meal for this **Feb's Teen Feed**: sign up at the Feb meeting to attend and also pick up a 2 lbs bag of pasta at the Feb Board meeting to cook and bring with you on Feb. 17. We will leave at 4pm from City Hall to go to the Fire Station in Issaquah. The meal is served from 5-5:30 with a volunteer orientation at 4:30pm.
5. Last but certainly not least: put Friday March 18, 7pm on your calendar. Come support our every own Adam Hawkins as he is nominated for the Teen Spirit Award at the annual recognition ceremony, **Sammi Awards**.
